## **ICARHMA Launches New Web Site: [ICARHMA.org](http://ICARHMA.org)**

**Arlington, VA (March 17, 2011)** – [The International Council of Air-Conditioning, Refrigeration, and Heating Manufacturers Associations \(ICARHMA\)](http://www.ICARHMA.org) is pleased to announce the launch of a newly designed Web site. The site features a global calendar of HVACR industry events, the Council's policy statements, press releases, Council member's contacts, and a members-only center.

ICARHMA is a unique membership organization comprised of associations representing manufacturers of air conditioning, refrigeration, and heating equipment in Australia, Brazil, Canada, China, Europe, India, Japan, Korea, and the U.S. It serves as a forum for the discussion of issues affecting the global industry, including energy efficiency, environmental stewardship, and other timely topics. AHRI serves as the Secretariat.

### **[About ICARHMA](#)**

ICARHMA is an organization of associations representing manufacturers of air conditioning, refrigeration, and heating equipment in Australia, Brazil, Canada, China, Europe, India, Japan, Korea, and the U.S. It serves as a forum for the discussion of issues affecting the global air conditioning, refrigeration, and heating industry. ICARHMA members provide a valuable contribution to the global economy and to consumers world-wide.

### **[About AHRI](#)**

The Air-Conditioning, Heating, and Refrigeration Institute (AHRI) is the trade association representing manufacturers of heating, air conditioning, commercial refrigeration, and water heating equipment. An internationally recognized advocate for the industry, AHRI develops standards for, and certifies the performance of, many of these products. AHRI's 300 member companies manufacture quality, efficient, and innovative residential and commercial air conditioning, space heating, water heating, and commercial refrigeration equipment and components for sale in North America and around the world.
